Wilhelm - An hour ago I was involved in a handover ceremony for One Park West, which was unveiled to the public by His Grace the Duke of Westminster.

During his speech his Grace recognised that One Park West was a fantastic addition to the city of Liverpool's skyline and was truly a quality project. You and your team should be congratulated on the success of this achievement, which the Duke was keen to point out was delivered three months ahead of schedule.

On behalf of Laing O'Rourke can I thank all of the GIG team for the unrivalled level of professionalism and commitment displayed throughout all stages of the One Park West Project. I would like to single out Michael Reiter and thank him personally for his determination in delivering a very demanding project and look forward to working with him and the GIG team again in the future.

All the very best

Graham Flynn
